Byerwen Mine

WE TOLD OUR COMPANY

**WE'RE HAPPY IN
OUR MINE CAMP**

The Queensland Government is forcing Byerwen Mine workers out of their onsite mining camp and making them move to the tiny Town of Glenden. An hour away by bus!

This baffling decision will impact the lives and wellbeing of up to 800 regional workers - plus their families - and put yet another multi-billion-dollar mine project at risk.

Help protect mine workers' rights!
