Date and time application lodged: **10 February 2011 12:00 am**

Mining activities to be carried out include: **Coal Mining, Loading facilities / railway, Processing plant, Tailings / settling dam, Water management, Workshop / machinery / storage**

Mining lease application documents

The application documents consist of the Application for Mining Lease, copies of or extracts from the application documents, and the endorsed Mining Lease Notice detailing the location and description of the land applied for (including surface area and access), may be downloaded from the Departments website <https://www.business.qld.gov.au/industries/mining-energy-water/resources/public-notice-tenders> or may be inspected at the Department of Resources office – **Building E, 25 Yeppoon Road, Parkhurst QLD 4702** or may be obtained by contacting the local mines assessment hub on **(07) 4936 0169** or CoalHub@resources.qld.gov.au.

Environmental authority documents

The application documents for the proposal consist of the following:

Application Form – Application to Amend an Environmental Authority; EA Amendment Supporting Document

Copies of, or extracts from, the application documents may be inspected at the Department of Environment and Science **99 Hospital Road EMERALD QLD 4720** or may be obtained by contacting Permit and Licence Management by phone on 1300 130 372 or by email on palm@des.qld.gov.au.

Copies of the standard conditions and eligibility criteria for a resource activity can be obtained by accessing the Department of Environment and Science website www.des.qld.gov.au or by contacting Permit and Licence Management by phone on 1300 130 372 (select option 4) or by email on palm@des.qld.gov.au.

Making a properly made objection/submission

It is advised that any person/entity may make an objection to the grant of the mining lease, and/or a submission about the application for the environmental authority. The **objection/submission period**, during which objections/submissions can be given, concludes on **12 October 2021** at 4.30pm (AEST).

A properly made objection and/or submission must be received on or before 4.30pm (AEST) on the last day of the objection/submission period. It must be lodged with the chief executive in writing in the approved form, addressed to the relevant Assessment Hub:

Coal Assessment Hub
Building E, 25 Yeppoon Road
Parkhurst QLD 4702
PO Box 3679, Red Hill QLD 4701
Email: CoalHub@resources.qld.gov.au

Objection for the mining lease application:

A properly made objection in respect to the grant of the mining lease is one that:

- is lodged, on or before the last objection day for the application with the chief executive in writing in the approved form;
- states the grounds of the objection and the facts and circumstances relied on in support of the grounds
- is signed and dated by each person/entity (i.e. signatory) making the objection; and
- states the name and address of each signatory.

Intending objectors should either contact the relevant assessment hub on **(07) 4936 0169** and obtain the approved objection form (MRA-20) or obtain the approved objection form from the department's website.

<https://www.business.qld.gov.au/industries/mining-energy-water/resources/applications-compliance/forms-fees>.

A copy of the objection must also be served upon the applicant/s on or before the last day of the objection period at the following address:

Monto Coal 2 Pty Ltd, Sanrus Pty Ltd, and H & J Enterprises (Qld) Pty Ltd
PO Box 10630
Brisbane QLD 4000
jgrieves@qcoal.com.au

In accordance with section 11(2) of the Electronic Transactions (Queensland) Act 2001, an objector may only serve an objection to the applicant by email if the applicant has specified an email address in the prescribed form for the application for a mining lease. To effect service, the objector must only use this email address and not another email address (for example, not an email address found by searching the internet).

If an email address is not specified in the application form, it is taken that the applicant has not consented to service of an objection by email.

Submissions for the Environmental Authority application:

A properly made submission must meet all of the following requirements:

- be written or made electronically
- state the name and address of each submitter
- be made to the administering authority stated above
- be received on or before the last day of the submission period
- state the grounds of the submission and the facts and circumstances relied on in support of the grounds.

Intending submitters may contact the Department of Environment and Science on **1300 130 372** to obtain a submission form or obtain a copy from the departments website. www.des.qld.gov.au
